Lent 2026 Co-curricular clubs and societies information

Welcome to the Co-curricular offering for the Lent term. Our clubs and societies are split into four areas:

P Performing Arts and Culture

A Academic Independence

S Sport, Health and Wellbeing

S Service, Community and Leadership

Our hope is that all pupils will cover the breadth of the co-curricular offering over their time at the College. When looking at a pupil's individual journey, we view it through three stages:

1

Years 7 and 8

2

Years 9 and 10

3

Year 11 and
Sixth Form

The Junior age group is all about breadth, exploring and experiencing a wide variety of activities.

This should be approached with guidance and care as pupils become familiar with the busy life of Princethorpe College.

Over time, specialisms become more evident and the time commitments which are needed to take these to the highest-level mean there can be less variety; however, pupils who get the most out of a school environment make the most of opportunities which come their way. Is your child a PASS pupil, engaging in all four strands of the co-curricular programme?
